**BrooklineCAN (Brookline Community Aging Network) Presents...**

**The Wisdom of Morrie**

On Wednesday, September 27 at 1:00 pm at the Brookline Senior Center, 93 Winchester St., Rob Schwartz, a Brookline native and son of Morrie Schwartz, the beloved subject of the classic, multi-million-copy, number one bestseller "Tuesdays with Morrie," will give a talk on the recently released book, "The Wisdom of Morrie." Before becoming ill with ALS, Morrie wrote a poignant manuscript on aging joyfully and creatively. Rob has edited the monograph and added essays. Let "The Wisdom of Morrie" be your guide in exploring deep questions of how to live and how to love. Joining Rob in his presentation will be Jean Stehle, an educator, writer, educational consultant and Newton school librarian. Photographer Heather Pillar will also stage a small exhibition of photos she took of Morrie at the end of his life. A limited number of books will be available for purchase, so get here early! Special discount for first five purchases. Register for this free event at 617-730-2770.

**Affiliated with the Brookline Senior Center, BrooklineCAN is an all-volunteer organization which enables older residents to remain independent and fully engaged in the life of the community.
